Customization

Our custom design department can take any of our existing styles and customize certain details of it. This can include changing the shape and size of the center stone, simple changes to the prongs of the ring or adding small diamonds to the side.

Deluxe Customization

Be your own designer! Let us help make your dream ring a reality and design your own ring from start to finish. Our Custom Design Department will take your sketch or images and make your dream design, fine-tuning the details until you are completely happy.

*I want this
centerpiece...*

*...with this
band*

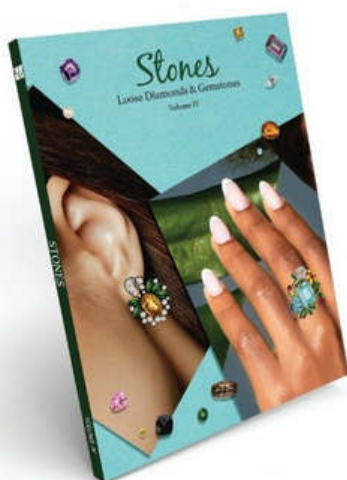

*The possibilities are
endless...*

Make your vision
into a masterpiece...

Add a gemstone for
a personal touch...

Once you have your custom ring, go one step further and choose a stone to make your ring uniquely yours.

With bigger and bolder gemstones highlighted in our 4th Volume of the Stone Book, our calibrated loose gemstones have hundreds of sizes, cuts and varieties to choose from.

Hold stylus near tip.
Press straight into dimple.

Pull top and bottom shank apart.

Wrap around base of finger
and squeeze until "click".

To remove, palm side up to
center dimple. Hold stylus
near tip and press.
