HOW TO ORDER LAB GROWN DIAMOND RINGS

1. Pick the design you desire.
2. Choose your ring size, manufactured in whole sizes 5-9.
Men's styles manufactured in whole sizes 9-12.
For styles that display (size) in the style number, insert desired size when ordering.
All other styles come as a stock size 7, unless specified.
Men's styles come as a stock size 10, unless specified.
Stock size rings can usually be altered to a specific size.

CUSTOM DESIGN DEPARTMENT

We're here to help every step of the way

Our custom design department can take any of our existing styles and customize certain details of it.

- By selecting your karat, metal color, diamond quality or changing a diamond to a gemstone, we can help make your ring uniquely yours.
- Take it one step further and change the shape and size of the center stone or add a row of lab grown diamonds to the sides.

Contact our Custom Design Department and one of our specialists will walk you through the process to get a quote and perfect ring for your special day.

HOW TO ORDER A CLIQ® PEG SET ENGAGEMENT RING

CHOOSE SIZE:

By using plastic sizers - split each one to separate over knuckle and spring back to size at base of the finger.

ORDER:

Appropriate shank in desired size and width.

USING YOUR CLIQ®

To open/close rings there is no need to handle the latch and doing so may bend the latch out of shape. Just follow these instructions and allow the latch to do it's job!

Hold stylus near tip.
Press straight into dimple.

Pull top and bottom shank apart.

Wrap around base of finger
and squeeze until "click".

To remove, palm side up to
center dimple. Hold stylus
near tip and press.
